

LUNG CANCER SURVIVORSHIP RESOURCES

[The Advocacy Connector](#) is an online resource to assist in connecting patients/caregivers to groups relevant to a specific need. This site provides national and state level cancer- specific resources regarding various topics including: caregiver support, counseling and therapy, financial assistance, pain management, survivorship, veterans' services, young adult cancer support, etc.

[American Cancer Society](#) (ACS) can provide contact information for the local office serving your area. The ACS offers programs that help cancer patients, family members, and friends cope with the treatment decisions and emotional challenges they face. Some materials published in Spanish. Spanish-speaking staff is available.

- Telephone: 1-800-227-2345

[Cancer Care](#) offers free telephone, online, in-person, and over-the-phone education work-shops, support groups, counseling and financial assistance for different types of cancer. Information available in Spanish and English.

- Telephone: 1-800-813-4673

[Cancer Support Community](#) offers free educational tools on a variety of cancer related sub-jects. A free Helpline as well as online live chat is available. Additionally, to help patients

[GO2 Foundation for Lung Cancer](#) (formed by the merger of the Lung Cancer Alliance and the Bonnie J. Addario Lung Cancer Foundation) offers a free patient guide to lung cancer and has a full directory to additional resources for lung cancer patients. The Lung Cancer Living Room Bring Hope Home Series offers a livestream of patient education and support presentations.

[GRACE](#) offers a number of educational and supportive materials to help those through-out the cancer continuum. There is also an online community forum specific for lung cancer.

[Lung Cancer Action Network \(LungCAN\)](#) is a collaborative group of lung cancer advocacy organizations that have come together to raise public awareness about the realities of lung cancer. Educational and supportive services are offered.

[Lung Cancer Foundation of America](#) has a wide range of educational materials as well as the free Hope With Answers video series for those diagnosed with lung cancer.

[Lung Cancer Research Foundation](#) provides free lung cancer educational materials for patients, caregivers, medical professionals, and community awareness. Lung Cancer Journeys shares the stories of people whose lives have been touched by lung cancer and promote the importance of ongoing lung cancer research.

[Lungevity Survivor Resource Center](#) provides links and assistance for 1) Living well with lung cancer, 2) Emotional support, 3) Practical support, 4) Survivor stories, and 5) Other survivorship resources. The mission of Lungevity is to change outcomes for people with lung cancer through research, education, and support.

[Patient Advocate Foundation](#) for anyone with a chronic, debilitating, or life-threatening condition, PAF safeguards patients through effective arbitration, mediation and negotiation; assuring access to care, maintenance of employment and preservation of their financial stability. Co-pay relief available to some patients. Spanish services available.
